Cluster Athletics Day @  
Bairnsdale Christian School

We are halfway through the school year already, how quickly the time is flying! It has been a delight to see students displaying qualities that make Nicholson Primary School a great school. All our kids are wearing smiles on their faces every day. Our playground is a safe, happy and fun place to be where students are playing together creatively. Our students are learning how to negotiate games and play and how to recognise when there are differences of opinions and to act in a way that resolves these issues together.

All our students have made growth in their learning and are becoming more aware of what they need to learn, what they need to do to help them to learn and are starting to talk about and take responsibility for their own learning.

We are all very proud of our students' achievement and we know you will enjoy sharing in your child's learning journey at Thursday's Parent/Teacher/Student Conferences.

#### Parent/Student/Teacher interviews

All families will have received their interview times. If the time you have been allocated does not suit, or you are unable to make it please contact your classroom teacher to organise an alternative time. There is no formal school on Thursday however; students are expected to attend their conference time.

#### Friday

Mr. Vague and AJ were planning to have a casual performance morning this Friday to allow students to showcase what they have been learning in their music lessons. Unfortunately this will have to be held over until next term.

Thanks to Kristey and Josh Ffrench, Les and Gail Patterson, Kristy Guthrie, Lana Searl and Jodie Halton we now have a new garden shed to store all of our gardening tools and supplies.

#### Breakfast Food

We have a surplus of breakfast food left over. If you would like some cereal, long life milk, fruit, baked beans or Vita Brits please come into school before Friday.

On behalf of all staff, I would like to thank all of the students for their ongoing commitment to their learning and meeting increasingly high expectations placed on them with their learning, their social interactions and behaviours. It has been a very successful first half of the year!

Whatever you have planned for the holidays, we hope you enjoy them and get to spend quality time with your family.

On Friday, students can come in school appropriate casual dress. School finishes at 2.20pm

Stay safe and we look forward to seeing everyone back for the start of Term 3 on Monday 16<sup>th</sup> July.

Kind regards,  
Sue Clague  
Principal
