Final day of the year.

JANUARY

Tuesday 29th Staff return. **Wednesday 30th** All students return to school

Swimming catch-up

This Friday all students return to the pool for their catch up session. This will be their "survival" lesson and all students need to bring their bathers as well as their pyjamas to swim in. Grade 4/5/6 students will be in the pool from 12.00pm and Prep, grade one, grade two and grade three students will be in the pool from 12.45pm for those wishing to come along and watch.

Graduation Dinner

Next Tuesday evening our grade 6 students will gather with their families to have a special dinner together to celebrate the end of primary school years. In the past this evening has been held as a cluster event but this year we have decided to begin a Nicholson School tradition by holding our own in our hall. We are all looking forward to sharing this special night with our grade 6's and their families.

Whole school excursion

A reminder that we are heading to the cinema in Bairnsdale next Tuesday and payment of \$5.00 per student needs to be paid before the day.

Transition

Yesterday while our grade 6 students were away experiencing secondary school, and our 2019 preps spent the whole day at school, our other students had some time in their new classrooms for 2019 which they were very excited about!. The decision to run an additional classroom next year has meant that we can keep our classroom numbers very small (average of 13 students per grade) which allows teachers to have more time to spend one on one with each student in their grade.

Christmas Raffle

A reminder that all tickets sold and unsold need to be returned to school by Monday 17th. The raffle will be drawn at our Celebration Evening.

End of Year Celebration Evening

Wednesday evening, 19th December is our Family Celebration Night. The evening will begin at 6pm for a family picnic. We will be getting a special visit from Santa around 6.30pm, followed by presentations and then a special musical performance from all of our students. Looking forward to sharing the evening with you all.

Could all students please bring a shopping bag to collect their belongings from their classroom.

Kind regards
