Junior Excursion

The F-2 students had a terrific day last Friday on their Lakes Entrance excursion. The Thunderbird boat trip was a hit, there was great excitement upon seeing some of our Burranun Dolphins! The Griffiths Sea Shell Museum has great things to see including a two headed shark, seahorses, the coral reef room and the model train plus thousands of shells. The Museum is well worth a visit as it is impossible to see everything in one visit. Back at school we had dinner in the restaurant and a short movie before the F-1 students went home. The grade 2 students got to sleep over at school, which was great practice for their camp next year. Thanks to Sue McDonald and the senior students who set up the hall and prepared our fruit and salads. Also to the parents who cooked the BBQ and cleaned up and to Gail for the chocolate cake. It was a great day which we enjoyed sharing with the F-2 students from Nungurner PS.

The 5-6 students, Mrs Dullard and Mrs Clague are having a busy time on their Camp to Canberra this week.
